

Watatunga Wildlife Reserve - Access Guide to Major's Lodge

Property Name: Major's Lodge

Property Location: Mill Rd, Plough Lane, Watlington PE33 0HQ

Description: Single storey safari lodge for up to 8 visitors.

We have done our best to ensure that the property is accessible to those in a wheel-chair with a specially fitted access ramp from the front door and from the conservatory to the garden. The property is all on one floor and door widths have been widened to allow movement throughout the house and light switches and electrical sockets repositioned. A wet room has been added to the property as a third bathroom. We wish you to enjoy your stay and book a property that will work for you so these are a few things to be aware of:

- There is gravel outside the front door – from May 2022 this will have a grave stabilising grid matting underneath it to allow easier access to the house and from the house to the bird hide. It is possible to park right up against the accessible ramp to the house on arrival/departure from the lodge.
- Our safari trailer is adapted to allow access to the reserve but this cannot be operated by guests independently when using their electric buggies in the reserve. We offer a free welcome safari with your buggy and our wheelchair accessible trailer on request. However, the wheelchair accessible trailer cannot be used independently by guests throughout their stay. This means that some wheelchair users may not be able to access the reserve throughout the entirety of their stay. While we work to resolve this, you are welcome to book the wheelchair trailer free of charge which runs on any of our public tours (April-October & subject to availability). Availability of tours can be found in the 'Guided Tour' section of our website – please email Anna at info@watatunga.co.uk to get a coupon code allowing you to book these tours for free. For children who are unable to sit unaided in a buggy, some guests have used a 'Special Tomato Soft Sitter' seat. We have a size 4 Special Tomato seat which we can provide for free on request. You will need to be comfortable self-loading your child in this instance.
- The kitchen is not an accessible kitchen
- You can access a video tour of Major's Lodge on our Facebook page. Please also get in touch pre-booking with any additional queries and we will do our best to answer them.
